MEET OUR GUEST SPEAKERS

David Minster NA2AA has been the CEO of the ARRL since September 2020. Minster got his Novice license, WB2MAE, in 1977, when he was in his teens. He progressed from Advanced to Amateur Extra and, after a stint as NW2D, he received the vanity call sign NA2AA. He is an avid CW Op.

As CEO, he has focused on modernizing ARRL's internal culture, youth engagement, and navigating operational recovery efforts—including response to the major ARRL cyber attack. He is very involved in the League's advocacy and protection of amateur radio in Washington, D.C.

Max Freedman N4ML was licensed in 2016 at age 12. He was the youngest member of the recent Bouvet DXpedition. He also serves as the ARRL Education and Learning Support Specialist. Max works to keep the ARRL Learning Center up to date with the latest and greatest in Amateur Radio. Max is an active Contester, DXer, and DXpeditioner who is a rising star in the DX World. When the Pacific Islands DXpedition Group (PIDXG) and Youth on the Air (YOTA) set out to organize the first major youth-led DXpedition, there was a natural choice to lead the effort—Max Freedman, N4ML! He leaves for VK9XY, Christmas Island next week with 10 young hams under 26 years of age.

Bring your questions! And Bring a Friend!
